

SUPERSEALER HCA

ROTARY HOT AIR SEALER

The Supersealer HCA High Capacity Hot Air Bag Sealer is a continuous heat sealer designed to meet the most demanding applications. Its stainless steel finish, heavy-duty construction, and increased heat capacity enables sustainable high-speed output for thicker bags. The Supersealer HCA provides consistent worry-free long term reliability for a wide range of tough sealing products. The Supersealer HCA is the only washdown bag sealer on the market.

TECHNICAL SPECIFICATIONS SUPERSEALER HCA:
