### Our Supersealers seal bags for many different industries:

Fruits, nuts, vegetables, meats, poultry, seafood, animal feed, dog & cat foods, bakery goods, snack foods, candy, spices, coffee, tea, chemicals, agricultural products, textiles, general goods.

"The machine has been received and is running. It is now a true lifesaver! We have most recently secured a large government contract and the sealer is now in use 6 days a week from 7 AM until 9 PM. It has proven to be reliable and not only meets but exceeds my expectations in reliability, ease of use and speed of production. I would recommend the sealer to anyone who needs a durable and efficient piece of equipment."
