

SUPERSEALER SS4

ROTARY CONTINUOUS HOT AIR SEALER

OK
oksealer.com

The Supersealer SS4 High Capacity Hot Air Bag Sealer is a continuous heat sealer designed to meet the most demanding applications. Its stainless steel finish, heavy-duty construction, and increased heat capacity enables sustainable high-speed output for thicker bags. The Supersealer SS4 provides consistent worry-free long term reliability for a wide range of tough sealing products. The Supersealer SS4 is the only washdown bag sealer on the market.
